

6th November 2025

Dear parent/carer,

2026 Year 8 Curriculum & Other Contributions and Extra Curricular Items

Greensborough College is looking forward to another great year of teaching and learning and would like to advise you of the College's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Greensborough College makes every effort to keep the cost of items and activities to a minimum and affordable for families.

Greensborough College is a school with a proud tradition of providing high quality education through a wide range of academic and co-curricular programs which support, extend and challenge students to achieve their personal best. Our programs offer a stimulating blend of academic, cultural and sporting activities that equip our young people with the essential skills and qualities they will need to become successful members of the broader and global community. Respect and High Expectations are the touchstones that underpin how we work together.

The Victorian Government provides most of the school's requirements in the form of salaries, land, building infrastructure and maintenance. The Government also provides most funding for curriculum and some student services. However, Government funds do fall short of what is required to deliver the enhanced educational program and the student services that our community expects. Therefore, Greensborough College Council, like most other school councils in the state, requests that parents make a contribution to cover this shortfall. Your voluntary contribution enables the school to purchase a variety of resources to provide the best possible education for your child.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

School Council is mindful of the competing interests on your household budget and we endeavour to keep the College voluntary contributions to a minimum. We look forward to you joining us in partnership with the College as your contribution is vital to providing a quality education.

We want to thank you for your ongoing support.

Yours sincerely,

Pauline Barker
College Principal

Angela Romas
School Council President

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions	Other Contributions	Extra-Curricular Items and Activities
Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.	Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.	Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
