

Dear Parents/Carers,

The Banyule City Council Immunisation Service visits all secondary schools within Banyule and Nillumbik to administer the National Immunisation Schedule.

The immunisation schedule (date to be confirmed) for Year 7 Students in 2021 is;

- Human Papillomavirus (Gardasil) 2 dose course
- Adolescent Diphtheria, Tetanus and Whooping Cough (Pertussis) (Boostrix) 1 dose only

It is important that the Year 7 Secondary Immunisation Consent Form be completed and returned by every student (regardless of the consent being a yes or no) by 28th Jan 2021 to the Greensborough College Administration Office.

Yours sincerely,

Pauline Barker
Principal
