Inclusion and diversity

Greensborough College strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Greensborough College is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Greensborough College acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Greensborough College we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Greensborough College will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, school production, clubs, Presentation Ball and formals) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

At Greensborough College our commitment to diversity and inclusion is embedded in our school values, in particular the value of Equality, which states “We show equality when we accept diversity at our school and in the community”. This commitment is also reflected in our School Wide Positive Behaviour Support Framework and our Respectful Relationships program. Students at Greensborough College are engaged in and celebrate programs and events such as:

- Deadly Choices
- Reconciliation Week
- NAIDOC Week
- Harmony Day
- Wear it Purple Day
- The Rainbow Space (LGBTQ+ and friends)

- Clubs such as Video Gaming, Gardening, Art, Drama, Science and Dungeons and Dragons

We proudly fly the Australian Flag, Aboriginal Flag and Rainbow Flag each day at our school.

Before every gathering of people at College events such as staff meetings, school council meetings, student assemblies, parent information sessions and formal evenings, we do an Acknowledgement of Country.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Greensborough College. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Greensborough College also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's Student Engagement and Wellbeing Policy or contact Assistant Principal, Rose Thomson, who leads the Program for Students with Disabilities for Assistant Principal, Glenn Jenner, who leads the Positive Climate for Learning.
