

# Technology & Behaviour Agreement (Visual Arts Students) 2021 - 2026

The Technology and Behaviour Agreement is designed to support and to extend the visual experiences and skill sets of Visual Arts students by providing access to specialist resources and equipment. This agreement ensures the safe and responsible use of these resources.

## Mac Computers

The Mac computers are a resource centre *exclusively* provided for Visual Art students.

While using the Mac computers, students must adhere to the following rules:

- **NO** food or drink;
- When you leave the area, ensure it is tidy - chairs tucked in, computers turned off, scrap paper in bin, keyboards and mice left neatly (one per each computer) and drawing tablets returned to teacher.

Consequences for breaking conditions of use:

- Depending on the circumstance, as per school policy you will receive a WSAPB based consequence;
- In addition, you will be denied Mac computer access for two weeks. You will have to find alternative ways to complete assigned work.

## Internet: YouTube

Having access to YouTube is a privilege **NOT** a right. All Visual Arts students have access to YouTube on the Mac computers.

To ensure an effective and appropriate use of YouTube, please adhere to the following:

- Only search clips that are relevant to the task;
- Do not intentionally search for clips that you know are inappropriate;
- To conduct an "off topic" search, you must **GAIN PERMISSION FIRST** from your subject teacher.

Consequences for breaking conditions of use:

- Internet or YouTube misuse will result in a two week Mac computer ban and an after school Principal's Detention.

## Technology: Cameras, Accessories, School Property & Resources

You are to:

- Handle all equipment with delicate care.
- For use outside the classroom or out of class time, you must sign out all filming/ photography equipment with your teacher;
- Respect all school resources, and return them in condition in which they were received;
- When using resources outside of class time, please charge all batteries prior to equipment return;
- To prevent the loss of unsaved work, please copy and clear all work off cameras prior to return.

Consequences for breaking conditions of use:

- Depending on the circumstance, as per school policy you will receive a WSAPB based consequence;
- The damage of school property will incur replacement or repair costs and an after school Principal's Detention.

Please note that a **second agreement contract breach** – related to Mac Pod, YouTube or resource use - will incur a ban for the remainder of the term.

**By signing and dating this document you are agreeing to the terms and conditions stated above and are also aware of the consequences of abusing said terms and conditions. Upon handing this contract back to your Subject you may use the resources on offer.**
