

Academic Uniform and Sports Uniform

The College uniform is a visible sign of the school as an entity. The wearing of the College uniform encourages confidence and pride in oneself as an individual and identifies the student as a member of the College Community. Students seeking to enrol at Greensborough College agree to accept the responsibility to wear the compulsory College uniform on all occasions in the correct manner as approved by the College Council.

At Greensborough College we pride ourselves on the College uniform. Students not conforming to these rules will be considered in breach of this uniform policy and subject to escalating consequences.

General Appearance

- Uniforms should be worn correctly according to the description in the following tables.
- The information provided in this policy also covers the way uniform is to be worn on the way to or from school.
- The only items of outer (visible) clothing to be worn are those included in the official Greensborough College uniform lists below.
- Any garment worn under any uniform item must not be visible unless it is an approved uniform item.
- Dress, skirt, or short length is to be modest in length.
- Shirts and dresses must always be buttoned up modestly.
- No garments from the Academic Uniform list may be worn with the PE uniform except for the soft-shell jacket and the rugby polo.
- Uniforms should be worn in appropriate sizes, e.g. not over size.
- Students are expected to be neat in appearance.
- Uniforms must be clean and in good repair.
- Running shoes may be worn to and from school with correct PE uniform.
- All students must wear traditional black leather lace-up school shoes when wearing the Academic Uniform. Black leather shoes should be polished regularly. T-Bar style shoes are not permitted due to OH&S regulations.
- In the interest of personal and public health, students are expected to show high standards of personal hygiene and cleanliness.

Important points to note:

1. Full academic uniform must be worn as requested by the College, for example on school photo day.
2. Correct PE Uniform may be worn on any day, unless requested as noted in Item 1 above. Academic Uniform must be worn if full PE Uniform is not available.
3. Events, such as excursions, will clearly state whether Academic or PE uniform will be required. Students may be refused participation if not wearing correct uniform.
4. OH&S requirements for PE, Sport, Manual Technology, Food Technology and any other subjects with OH&S requirements, override this Policy. This is about the wearing of nail length, jewellery and piercings which may be asked to be removed or taped over where an occupational health and safety risk applies.
5. No other jewellery or accessories are approved except for what is listed in the below tables.
6. Hair, including facial hair, must be neat, tidy and clean.
